Dear Sir:-

On the extension of the Central Canada Railway from Whitelaw to Fairview, Miles 85.31 to 98.73, we take in the Southeast Quarter of Sec.17-82-1-W.6th Mer., 2.08 acres for right-of-way.

Your Department has already made reservation of this right-of-way, and as the line is completed, and our "as constructed" plan filed in the Land Titles Office under Plan No.979-E.O., I would appreciate it if you would advise me if this reservation still stands, and such being the case, in view of this being the only quarter on this plan through which land is being granted by the Crown for our right-of-way, if you would accept a plan on tracing linen of a portion of our "as constructed" plan showing only this quarter-section, and certified as such by the Registrar of Land Titles.

As you know this line is built under a Provincial Charter, and does not come under the jurisdiction of the Board of Railway Commissioners, the approval of the plan being granted by the Minister of Railways for the Province of Alberta.

Yours truly,

He enlisted in the 13th C.M.R. February 3.1915, was transferred to the 20th Battery, C.F.A. in March 1915, went overseas in May 1915, to France in June 1915, where he saw service until until the end of the war. He was wounded in the right knee, and his wound is still troubling him; he is still nervous and restless, and I have advised him strongly, not to take up his duties on his homestead, until the condition of his knee, and his general health shows improvement. This land was originally sold to one H. Edward Cooper, and the Contract has now been cancelled. I find on the Abstract of Title covering the above land, a Seed Grain Lien by J. N. I have received copy of your letter of 31st ult. addressed to the Secretary. I note that you have authorized the Lien to be removed from the N. E. 1/4 24-21-1w. West of the 4th Meridian. I regret to observe that in my previous letters to you I have made a slight error in the description of the land in question. The deed from Lien by J. H. Ingram registered as 3411 K.S. shows on the abstract of the N. E. 1/4 24-21-1W. West of the 4th Meridian, and it is this land which has now been surrendered to the Company. I am requesting that the Lien question should be removed from the title to the N. E. 1/4 24-21-1w. West of the 4th Meridian, for the reason that so far as our records show, no person of the name of J. H. Ingram ever had any interest in this land. You, of course,

Sir,

Re S.E.¼-34-41-1-W.4th M.

Your circularized notice of an assignment on the part of Alfred Mathot in favour of his creditors, together with a statement of his liabilities and assets.

The Department is in receipt of

It is observed that the south half of section 34, Township 41, Range 1, West 4th Meridian comprises an item of the assets and in this connection I am to state that inasmuch as Mr. Mathot, who holds entry for the said last quarter as a homestead, has not been granted patent, same is not liable to seizure in execution.

I may add that cancellation proceedings are pending and the Department now has the disposal of the land under consideration.

With regard to the fractional south east quarter of section 34, Township 41, Range 1, West 4th Meridian, I may say that Mr. Mathot was permitted in November, 1917, to purchase fractional legal subdivision 6, containing an area of 18.4 acres, at a Homestead Inspector's valuation, subject to his earning patent for his homestead. Therefore, in the event of cancellation of the entry for the homestead, the sale of fractional legal subdivision 6 will be rendered inoperative, in which case the land will revert to the Crown. This land must also be exempted under the circumstances.

Form No. 7.

The Western Canada Land Company, Limited

April 16th, 1917.

Messrs
The Department of the Interior,
Ottawa, Ontario.

Dear Sirs:-

In connection with certain of our lands which we acquired from the C.P.R., there have been revisions in the surveys, resulting in increasing the area.

Where this is due to the drying up of a lake, or other body of water, or generally where the increase is due to a change in the outline, we believe that you require payment for the additional land.

It is true that the Surveyor General's regulations given in the manual of instructions for the survey of Dominion lands, seems to give the grantee of a parcel of land the right to future additions to the parcel by such gradual processes as the recision of the water.

The writer looked into this matter some years ago in Ottawa and found that, notwithstanding this, it was the practice of your Department to require the purchase of such lands and you would then issue patent for this.

In the case of our lands, these additions range over a matter of a tenth of an acre up to as high in one case as 59 acres.

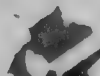

Before going exhaustively into it and submitting a list in detail, we shall be glad to have your general ruling on the matter. What will the price be? As we will be asking for a number of parcels at the same time, will there be any minimum charge? It would be clearly not be worth while paying any such charge to correct a title for a tenth of an acre.

We thought perhaps in doing the thing for all our cases at the same time you would charge only the straight price per acre on the total. We shall be glad, then, to have the answer to these inquiries and any other information to enable us to adjust these increases in area.

Yours truly,
Western Canada Land Co.Ltd.,

The Controller,
Lands Patents Branch, Dept; Interior,
Ottawa.

Dear Sir:- Your file #3891694.

In reply to yours of June 22nd, we enclose a list of some of our lands in which the revised survey shows an increase of area due to causes which apparently make it necessary to acquire the additional by purchase from the Government.

We understand that where an increase in area on revision is due to re-measurement without change of outline, the owner automatically becomes possessed of the increase.

There may be other parcels of our holdings which should be in the enclosed list. Meantime, you will note that we have included several where the increased area is one acre or less. Is there no inexpensive way of correcting the title in such cases? Take for example one of the parcels on the list, the N.E.¼-21-52-21-W 4th; this was conveyed to the C.P.R. and by them to us as 159.50 acres. The revised survey makes it 159.60, an increase of 1/10th of an acre. It is clearly out of the question to pay any minimum price for this fraction, or to pay the crown patent fee and the fee for filing the patent and securing the certificate of title in this province.

What we want to know, then, before going to the expense of securing abstracts of title proving our right to acquire these various fractions, is whether we can acquire them throughout at the minimum

price of $3.00 an acre and whether they can all be included in one crown patent so as to eliminate any fees in that connection. With this information we will then see what arrangements can be made with the local Land Titles Office.

With this information we can decide which of the parcels are worth the cost of acquiring and which are not.

Yours truly,

Dear Sir:- YOUR FILE [illegible].

In reply to yours of September 20th, we enclose you herewith Abstracts of Title, showing us to be the registered owners of the following:-

N. ½-13-27-24 W. 4th M.
S. ½-13-27-24 W. 4th M.

We wish to purchase from you the additional areas included in these parcels by the latest revised survey. As soon as you notify us of the amount required, we will pay it.

We note that you treat the remaining differences mentioned in our letter as due to closer computation, and not requiring any further action on our part to become entitled to the areas according to the latest survey.

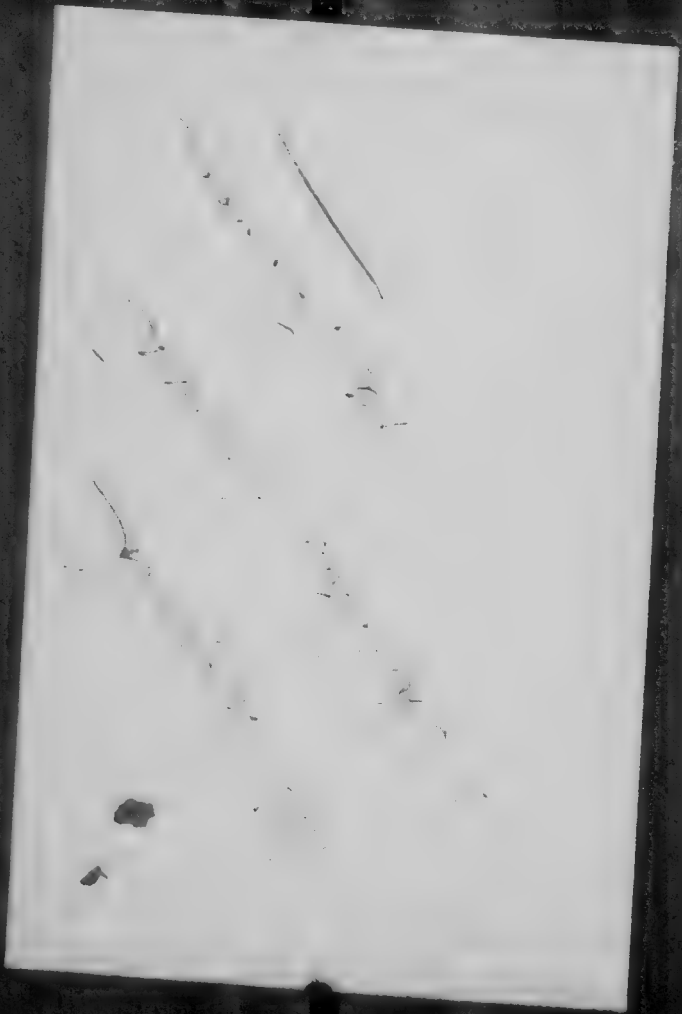

You will see that on one of the abstracts the Land Titles Office has filled in the revised survey areas, but this is probably carelessness on their part. Of course if they would recognize the revised survey areas, and you were satisfied, we would be entirely so.

Re: W½ 13-57-24-W.4th M.
S½ 13-52-16-W.4th M.

With further reference to my letter of the 26th December last, I beg to say that the homestead inspector's report has now been received and that he has placed a valuation of $9.00 per acre on the accrued dried up area in the South half of Section 13, Township 52, Range 16, West of the 4th Meridian, and a valuation of $10.00 on that in the North half of Section 13, Township 57, Range 24, West of the 4th Meridian.

If you will therefore remit the sum of $630.00 for the 70 acres of accrued land in the South half of Section 13, Township 52, Range 16, West of the 4th Meridian, a patent for such area will be issued to the Company.

In respect of the North half of Section 13, Township 57, Range 24, West of the 4th Meridian, it will be necessary for the Company to revest in the Crown in the right of the Dominion, by Duplicate Certificate of Title, the land to which it holds title in this North half Section, and to remit the sum of $465.00 for the accrued area before the patent can be issued.

The.....

H.M.E.Evans, Esq.,

Dear Sir:

Your file 101917

Re N.W.¼ 1-5-22 W 4th.

In your letter of July 4th you stated that you were forwarding to the Department at Ottawa duplicate certificate of title to the 113.50 acres in the above quarter section. We are now informed by the Land Titles Office that they have received an amended grant from the Crown in our favor covering all of the quarter section but the Department in Ottawa did not forward to them for cancellation the above mentioned duplicate certificate of title. We believe it was #195 & 43.

We would be glad if you would write the Department at Ottawa asking them to send this duplicate certificate of title to the Land Titles Office in question.

Yours truly,

COMMISSIONER:

29th May, 1928.

MEMORANDUM:

Mr. Perrin

Re H.E.; [illegible]-W. 6th Mer.
Homestead - Davis LeVine.
Entry granted 14th Dec., 1926.

Correspondence regarding the above was instituted on the 1st March, 1928, on behalf of the Department.

The question to be dealt in this case is whether in the event of cancellation being carried out, the wife, Mrs. Davis LeVine, is to be given the right to make entry in her own name as a deserted woman.

Mrs. LeVine on the 20th September, 1927, filed a statutory declaration setting out that her husband deserted her in the [illegible] November, 1926.

An Inspector on the 9th January last reports. Mrs. LeVine is continuously residing from the 9th July, 1926;

House.....$250.00
Stable.....$125.00
Additional.....$100.00

Cultivation:-

1925. Broke 5 acres; cropped 5 acres.
1926. " 10 " " 2 "
1927. " 2 "
Value.....$450.00.

Stock each year.

The Inspector further adds that Mrs. LeVine has given children from two to fourteen years of age, all of them were present on her. She is unaware of the whereabouts of her husband. She claims she has received no support from him since he left. Besides getting relief from the local authorities this cannot be kept in the vicinity in the winter. The Inspector accepted two declarations which show that Mrs. LeVine has been deserted by her husband.

If this would result in continuous residence to the 9th July next she will by that date complete the settlement duties. I would therefore suggest that the entry be cancelled and Mrs. LeVine allowed 60 days from the 1st July next to make entry on the usual terms. ~~and at the same time be allowed to apply for patent.~~

Sir :-

In reply to your letter of the 12th instant, I am to inform you that I am sending a copy thereof, for action, to the Deputy Minister of Public Works, Edmonton, as all the changes in road allowances come under the jurisdiction of the Provincial Government.

Your obedient servant,

KINUSO, P.O. ALTA. May 10th, 1919.

DOMINION LANDS BRANCH,
OTTAWA, ONTARIO.

Dear Sirs: RE KLONDYKE TRAIL THRO NORTHWEST ALBERTA.

This trail was authorized by you by order-in-council in the years 1909 but there are various trails (called Klondyke trails and which are closed in some places) going through my homestead- N.W.¼ of 11 - 73 - 11- west of the 4th Meridian on which I will draw a sketch enclosed herewith and besides this there is a provincial highway also through the centre of my 160 acres which is used during the spring months when the water is too high that makes these other trails impassable. I have asked the Road Commissioner about this matter and he informs me that this provincial road was put in because at certain seasons of the year these other trails are too wet to travel over and he also states that the Government wants the other trails open (which was never spoken of when I filed on this place.

What I would like you advise me on is whether I have to leave all these trails open and the provincial road as well as all these roads run parallel with each other at a distance of not over 400 yards apart. Under these conditions it will be impossible for me to prove up this homestead if these trails have to be all left open as there is none of them on any road allowance but I am willing from what my papers claim that the Government can claim 2½ per cent for road purposes that the provincial road should remain open as it is the better road for all seasons of the year and under all conditions

Please let me know at your earliest convenience my position in this matter as I have had the place for two years and have not been able to save any hay on my meadow owing to my being unable to fence and oblige

Yours sincerely,

COPY OF MY ANSWER TO LETTER RECEIVED from Deputy Minister Of Public Works, Alberta received shortly before warrant issued for my arrest for closing up Klondyke trail. Deputy Minister's letter has been mislaid by me and I can only find copy of my letter in answer.

C O P Y.

KINUSO, ALTA. Nov.7th,1918.

Deputy Minister,
Department of Public Works,
EDMONTON, ALTA.

Dear Sir :- WITHOUT PREJUDICE

Yours of November 1st received to-day

I beg to inform you that you have been misinformed for there are three trails through my place and beside these three there is a road through the centre which was put there by the road officials some years ago which I have never attempted to fence or molest. I have fenced these other trails to protect a meadow which I did'nt get fenced in time to save only ten ton of hay.

Now I was the first settler in here and I dont see why I shouldn't be allowed to put up some fence for my own protection. At that I have asked Mr. Hunter, the road supervisor and also the police Officer at Grouard to come and straighten this matter out and it would seem that they are too well acquainted with the facts to bother coming and looking into it.

I have two neighbors below moved here recently that from their talk they have come here to run the country for they have me reported from Ottawa to Peace River and at last they have called on you to try and get two or three trails through my place. There is none of these trails on any road allowance.

I remain

Yours faithfully,

Francis Jo[illegible]

PEACE RIVER, ALBERTA, June 20th, 1921

Mr. Cruickshank,
Dominion Land Agent,
PEACE RIVER.

Dear sir:-

You will find enclosed a letter from the Dominion Land Agency at Ottawa in regard to the Homestead Inspector's report on my homestead which I feel does not set out the facts correctly for the following reasons:

1. House valued at $200. in report. This house cost me in the neighborhood of $400.

2. Value of Barn is about correct.

3. In regards to ploughing I havent much for the reason the part that was fit for ploughing and raising a crop was on the part that the Police claimed was the registered Klondyke Trail of which you will see more details from a copy enclosed of aletter I wrote the Department at Ottawa On May 10th, 1919 of which I have the Department's acknowledgement dated May 30th, 1919 (copy of which is enclosed) In my letter to the Department at Ottawa May 10/19 I drew a sketch showing how this Klondyke trail branched off into three or four trails thro my place cutting into the bigger portion of my hay meadow and altho the Police stopped me from fencing they would not show me the correct trail.

Judge Belcher informed me that they should have told me about these trails at the time I filed but Colonel Carstairs Land Agent at High Prairie never informed me about these trails at the time I filed and I was entirely ignorant about them until I tried to close up my hay meadow in order to save the feed for my cattle when there was a warrant issued for my arrest notwithstanding the fact that there was a Provincial road thro my place which I at no time never interfered with but left open consequently I was obliged to get rid of my cattle as I could not save any feed for them as the neighbors cattle came in when I was not allowed to fence and eat up all my feed.

In the Department's letter from Ottawa they stated they were referring the matter of trails to Department of Public Works Alberta at Edmonton and I have aletter from Asst. Director of Surveyors dated June 17th, 1919 stating that they expected to have a surveyor up in the district that season to decide on location of roadway but nothing whatever has been done since
Since then I have pleaded with every authority to show me just what trail (out of the four trails thro my place) which was the real registered Klondyke trail but not on of the road officials ever showed me the right trail and at no time have I refused to give anywhere the portion of road necessary thro my place.

Under the circumstances and owing to the fact that my place is now partially under water I trust the Department will see fit to grant my Patent as I have done all I could to prove up according to the law as a law abiding citizen.

I am

Your obedient servant,

Francis St Francis

" who was a neighbor of the late Mr. Day and he stated
" that he thought he had a relative working at the T.
" Eaton Company store in Winnipeg about four or five
" years ago he was not sure if this person was a
" daughter or niece. I made further enquiries of
" residents of Rocky Mountain House and vicinity who
" were acquainted with the deceased including the
" Magistrate, Mr. Stanley Wilson, and Mr. Kirby the
" Postmaster, and they knew of no relatives of the
" late Mr. Day.

The Secretary, Department of National Defence, and the Secretary Treasurer, Canadian Legion, British Empire Service, League Calgary, Alberta, were communicated with under date, 11th July 1928. The reply from the Manager, the Canadian Legion, British Empire Service League, Calgary dated 24th July 1928 is as follows:

" In reply to your letter of July 11th,
" I have to advise you that we have no record of the
" present address of the next of kin of the above
" named man. (John Day)

The reply received from the Department of National Defence dated the 23rd of July 1928 contained the following information:

"

According to the records in this Department
" the next of kin of this soldier is shown as
" Miss Gladys Griffith, (niece), 660 Jessie Avenue,
" Winnipeg, Manitoba.

A letter addressed to Miss Gladys Griffith at the address given, 6th August 1928 was returned by the Postal authorities "Undelivered."

A letter addressed to the T. Eaton, Company, Winnipeg, 6th September 1928, elicited the following reply:

" In answer to your enquiry re Miss Gladys
" Griffith, we wish to state that we have searched our
" records, and can find no one of this name in our
" employ at present.

All efforts to get into touch with the next of kin of the deceased settler who had apparently completed the settlement duties required by his entry before the date of his death have been unsuccessful.

I would suggest that the cancellation proceedings which are outstanding against this soldier grant entry be allowed to remain in abeyance for the present.

Mr. Perrin.

S.G. - John Day (deceased)
Date of entry - 5th September 1919.
Cancellation proceedings outstanding.

Cancellation proceedings were commenced against the above entry under Section 25 of the Act, 1st March 1927.

The settler did not file a defence within the time prescribed by the regulations and the Inspector detailed to investigate reported as follows, 4th January 1928:

Residence.

Continuous residence.
Log house valued at $15.00
Stable. " " $15.00
Well.. " " $10.00

Cultivation.

1921.....broke 17 acres..cropped.....
1922..... " 4 " .. " 17 acres
1923..... .. " .. "
1924..... .. " .. "
1925..... .. " .. "
Present value of cultivation..... $105.00

General Remarks.

"The 21 acres broken was when done worth to 40 acres of prairie land but has now gone back to half that value. The nature of the soil is sandy and a poor quality, being mostly jack pine ridges and muskeg."

The Inspector's report indicates that the late settler completed sufficient duties to earn title to the soldier grant.

Efforts have been made to get into touch with the heirs of the deceased.

When making application for soldier grant entry, Mr. Day gave the following name as the person to be communicated with in the case of his death, before the completion of duties, Mrs. James Soal, Winnipeg, Manitoba. In reply to a letter addressed to her by the Agent of Dominion Lands, Winnipeg, 7th June 1928 Mrs. Soal stated:

" I cannot recall any man by that name.
" If I do come to remember however I will be glad to
" pass on any information I can, with regard to the
" relatives.

Inspector Minchin detailed to ascertain if possible the names of the next of kin of the deceased reported as follows, 30th April 1928.

Soldier Settlement Board.

Canada.

Ottawa,
2nd June,

THE HON. CHARLES STEWART,
Minister of the Interior,
Ottawa.

MEMORANDUM:

Request for issuance of Dominion Lands.

Re: Ross H. Taylor, #21897.
S.E.¼ 17-9-17-W.4th M. - Med.

The above named settler secured advances from the Board totalling $2615., the Board thereby acquiring a charge upon his pre-empted homestead above described. Owing to [illegible] patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We have now in receipt of an application from Mr. Taylor requesting that patent to his homestead should be issued in favour of the Board. Mr. Taylor states that he has now settled all matters in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Deputy Secretary of the Department to the settler, dated February 20th, 1923.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were formulated by the Board and approved by the Governor in Council on the 4th day of June, 1921, (P.C.1088), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the encumbered land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E. of 17-9-17-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

Mr. Sheppard,
Land Agents Branch.

In reference to your memorandum of the 31st instant, I beg to say that you have evidently misunderstood what I told you over the telephone respecting the Deputy Minister's approval of this sale for right of way purposes, as no direct decision on this point was given by him.

The facts are these -
By an agreement dated the 17th of July, 1919, the [illegible] Company were to construct for the Sheyer Irrigation District, works for their irrigation project, and to acquire at its own cost the necessary right of way. The agreement reads in part as follows:-

"The Company agrees to acquire at its own cost "and expense, the lands required for the right "of way of the main canal as shown on the said "plans marked 1187-1 and 1187-2, and to convey "or procure to be conveyed to the said, the "said lands".

In order that the company may be in a position to comply with this condition of the agreement, they wish to secure title to the right of way in the simple. The Law Clerk is of the opinion that the Sheyer Irrigation Board would be justified in refusing to accept title to the right of way by means of occupation. I beg to quote from his memorandum as follows:-

"I have [illegible] your memorandum the agreements referred to in "that the [illegible] hereunder, and it seems to me "in objecting Irrigation Board would be justified "than an ordinary license of occupation rather [illegible] tent".

As the [illegible] agreement of the 17th of [illegible] has approved of the [illegible], therefore, bound to [illegible], 1919, the department for the right of way, in or[illegible] unconditional patents may be in a position to compl[illegible] that the [illegible] Company of the agreement. [illegible]lly with the terms

I hope that with th[illegible] explanation, you will be able to proceed with the [illegible]ue of patents.

Entries - Leonard C. White.
Entries Granted - 16th October, 1919.
Case of Recurring Disability.

This entrant has obtained a loan of $430.00 from the Soldier Settlement Board and has applied for a reduction of duties on the grounds of increasing disability, resulting from active service.

His statement of the 1st September last, shows residence from April to July, 1920, April to May, 1921, from the 29th October, 1921, to 11th September, 1922, and from the 17th September, 1925, to the 7th November, 1925,--only one term which can be credited to him. However, he claims one and one-half miles of fencing on the homestead, valued at $130.00--a house and 35 acres of breaking with cropping during five years, and the whole 35 acres in crop in 1926. On the soldier grant he claims one and one-quarter miles of fencing, $125.00--25 acres cultivated during four years, and all in crop last year. His statement continues:-

"I was sent to the Hospital in Grand Prairie "by Dr. Obrine on the 19th day of January, 19--. Was "transferred from there to the University Hospital at "Edmonton, Alberta, on the 24th of January, 19--. Was "discharged from there Sept. 14th, 19--. Went direct to "Soldier Grant, stayed there until Nov. 7th. Was ad-"mitted in the University Hospital, Edmonton, Alta., Nov. "9th, 1925. Was discharged March 16th, 1926, and I am "now working for F. MacDonald, Grand Prairie, Alta, look-"ing after a few head of stock and there is times that "I cant hardly do that on account of Rheumatism, Bronchitis "and nervousness and as I cant do any heavy work I must "do something that I can do in order to live and I cant "make a living on the place for the reason that I cant "do the work, but then I have managed to get what work "is done on the place."

This statement.....

This statement is accompanied by a Medical Certificate which sets out that he is unfit for homesteading on account of Chronic Rheumatism.

The Board of Pension Commissioners reports 40% disability, consisting of Chronic Arthritis and Chronic Bronchitis, which disability would enable him to perform in part only, the duties of a farmer. They further report that his pension was originally set at 20%, was increased to 30% in July, 1923, and in March, 1926, following a period of about four months treatment, his assessment was again raised to 40%.

The Soldier Settlement Board states that this man has always made his payments to the Board promptly, but his file indicates that he has been absent from the farm for various periods of two or three months and has been in the Hospital. In June last, he asked the District Office if it would be possible for him to be granted the time spent in the hospital as residence on his homestead. The Board further reports that he has 60 acres under cultivation and proposes to have a further 10 acres broken next summer, and that the following permanent improvements have been erected;--a good log house and granary on the homestead, a log barn on the soldier grant, and two and three-quarter miles of two and three strand wire fencing. His account with the Board is in good standing and he hopes to be able to repay his indebtedness this fall.

This would appear to be a deserving case. The settler has apparently made a serious effort to complete the duties and his disability has increased in such a way as to seriously hinder him in the performance of duties. It is suggested that the necessary authority be obtained to waive the performance of further residence duties.

Soldier grant.
[illegible] of Leonard J. Hite.
[illegible] 16th October, 1916.

Leonard J. Hite is a returned man who was discharged in June, 1919, with a disability diagnosed as chronic arthritis and chronic bronchitis, for which he is in receipt of pension at the rate of 45 .

Mr. Hite has furnished evidence of his residence of more than sixteen months. In addition to which he has made very substantial improvements. However, as a result of his condition it is reported that Mr. Hite will have to abandon his attempt to [illegible] as an active part in agricultural pursuits.

In view of the medical testimony submitted, it is proposed to waive the residence duties in connection with the homestead and soldier grant, and grant Mr. Hite patent on satisfactory proof being furnished of the performance of the other conditions as prescribed by law, subject, however, to repayment of the loan to the Soldier Settlement Board.

Filed No. 3904302
3903586

4th April, 1917.

To His Excellency,

The Governor General in Council.

The undersigned has the honour to report that on the 16th October, 1916, Leonard C. Hite of Pincher Creek, Alberta, was granted a homestead entry for the South West quarter of section No. Township 7, Range 1, west of the 4th principal, under the provisions of section 11 of the Dominion Lands Act, and soldier grant entry for the North East quarter of section 1 in the same township, under the provisions of the Soldier Settlement Act.

Mr. Hite is a former member of the Canadian Expeditionary Force who, while on active service, contracted chronic arthritis and chronic bronchitis, for which, on his discharge in June, 1916, he was granted pension at the rate of 20%.

The pensioner made his entries for the lands referred to with the intention, and in the expectation, of fulfilling the settlement conditions prescribed by law. In pursuance thereof, Mr. Hite has submitted evidence of the performance of more than sixteen months residence and the following improvements on the half-section: cultivation of sixty acres and two and three-quarter miles of fencing valued at $[illegible], besides a house, stable and well, for which he will get $[illegible] under the soldier entry.

Annexed hereto are copies of a report from [illegible] Scott, M.P., of Taunton, certifying as to the sufficiency of Mr. Hite to undertake heavy work of any kind, and of the Board of Pension Commissioners for Canada, indicating that Mr. Hite is now in receipt of pension at the rate of 40% for his disability, which would show that he is physically incapacitated for the performance of further settlement duties.

Under the circumstances, the undersigned has the honour to recommend under the provisions of sub-section 2 of section 20 of the Dominion Lands Act, in the case of the homestead, and under the provisions of the Order in Council of the 23rd May, 1911, P.C. 1471, in the case of the soldier grant, that Your Excellency in Council do order the remission of any further residence duties on the part of Mr. Hite aforesaid in respect of such entries.

Respectfully submitted,

Minister of the Interior.

File No. 4-

TTAWA - 1[illegible]

MEMORANDUM:

Request for transfer of Dominion Lands under Section 37 of the Soldier Settlement Act.

Re: James F. McDonald.
S.W.¼ 31-50-10 W.4th (S.S.)

The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in [illegible], and in the course current account [illegible] amounting to $[illegible], as follows: removal of encumbrances, $[illegible]; permanent improvements, $[illegible]; stock and equipment, $[illegible]; general advances, $[illegible]. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is title to S.W.¼ 18-50-10 W.4th.

In October, 1925, the Field Supervisor reported that this settler had [illegible] a farm [illegible] and that it was his intention to leave the Board's farm and move onto the [illegible] for the following year. The settler left his farm in the spring of [illegible] and apparently never returned. He executed A Quit Claim Deed to the soldier grant on the [illegible] of August, 1926, and has no equity with the Board [illegible] agreement thereto.

The settler's indebtedness to the Board amounts to $[illegible]. Every effort has been made to dispose of the quarter-section to which we hold title but without success. This quarter is valued at $[illegible]. The soldier grant was valued at $[illegible]. This quarter-section was described as only being suitable for [illegible] and as [illegible] farm. No arrangements have been made for the disposal of this land as offers have been received.

The land in question being vested [illegible] the meaning of Section 37 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the present amendment to Section 37 of the Soldier Settlement Act, [illegible] referred to in the second paragraph hereof only [illegible] the settler subsequent to his entry for his soldier grant.

A Vesting Order for signature is attached hereto.

Sir,-

Re S.W. 28--[illegible]--10, W. 4th M.
Soldier Grant Jas. F. McDonald.
Your File No. [illegible].

The Edmonton records reveal the fact that Application for Patent was made for the above land on the 10th November, 1926, and the Application lacks the evidence of two witnesses.

It is understood, however, that Letters Patent for this land have been issued in favor of the Soldier Settlement Board, since the 1st of October, 1930.

It further appears that this land was not shown as "Cleared Land" on the list of Soldier Entries furnished to this Department from the Department of the Interior at Ottawa.

Would you kindly advise us to the merits of this case and if "Cleared Land", please state what inspection was made of the land as of the 1st of October, 1930.

Your obedient servant,

Agent.

H. E. Hume, Esq.,

Sir,

S. . 35-39-10 .4th ., . .,
James . . Mc onald.
Your eference No. . 184.

I have your communication of the 4th instant and in reply beg to state that the entrant made application for patent before the gent of Dominion Lands at dmonton during the month of ovember, 1928, which was forwarded to the Sub-gent of Dominion Lands at St. Paul on the 23rd of the same month in order that he might arrange to have the necessary witnesses on hand to complete his application for patent. On approximately seven separate occasions Mr. McDonald was called upon to complete the said application but apparently he failed to do so.

Under date of the 2nd October, 1930, the Chairman of the Soldier Settlement Board made application for patent to issue in the name of the said Board under Section 27 of the Soldier Settlement Act. He stated that this settler was established with a loan in November, 1919, and received advances to the amount of $2000.00. His indebtedness then amounted to $1870.00. It is further stated that in October, 1930, the Field Supervisor of the Soldier Settlement Board reported that this settler had purchased a farm at Lavoy and that it was the intention to move onto the newly purchased farm the following year. The settler left his farm in the spring of 1931 and never returned. He executed a Quit Claim Deed to the Soldier Grant on the 30th August, 1930, and his agreement with the Board was rescinded pursuant thereto.

Patent for the above described quarter-section issued in the name of the Secretary of the Soldier Settlement Board under date of the 14th April, 1931. This land was not included on the list of "Charged Lands" furnished the Province under date of the 23rd February, 1931, in view of the fact that letters patent in favour of the Board were in course of preparation.

In any case of "Charged Lands" where patent was in course of preparation or was about to issue, the land was not included in the list submitted to the Province.

Your obedient servant,

. . Nunn,
Chairman, Dominion Lands Board.

Ottawa, 26th October, 1911.

Sir,-

In reference to your letter of the 14th inst., enclosing the application of Mr. T. A. Lamont for letter of consent for the S. E. of section 2, township 71, range 21, west of the 4th meridian, your file No. 5750, I beg to inform you that in April, 1911, Mr. Lamont's file bears his consent to certain portion of the quarter section being withdrawn from his entry covering the quarter section above referred to, in order that the same might be conveyed to the Corporation of the Synod of the Diocese of Athabaska for church purposes.

It has however been represented to the Department by Mr. Lamont that a church building has been erected by the said Corporation on the adjoining quarter section and it is desired that you detail a Dominion Lands Surveyor to visit the land at the earliest opportunity, in order that the Department with a proper description of the land on which the church building has been erected.

It may be pointed out in this connection that it is the practice of the Department invariably to restrict grants of land conveyed for church purposes to the area actually occupied by the church building and not to extend to an area adjoining thereto for residence or other purposes. It is also desired that the Surveyor shall state in his report the actual value of the church building, if it is being used for public worship. Upon receipt of the latter your immediate attention in regard to the matter will be given, and a letter of consent in favour of Mr. Lamont for the land in question may be proceeded with.

Sir

Replying to your letter of June 3rd I beg to inform you that I do not consider the NW ¼ 24-41-6-W5 as being a fractional quarter section. The Homestead filed on the NE quarter ¼ 24-41-6-5 and a portion of the fractional quarter section containing a fractional quarter section in the NW ¼ 24-41-6-5 the two together make a quarter section and a portion of the

Sir:

N.½ 24-41-6-4. 5th Mer.
Your files - 94707-94709.

I beg to acknowledge receipt of your communication of the 31st July last enclosing an application from Raymond Frederick Furnell, a minor, for the reservation of the above land. It is noted that according to his statement and that of the Sub-Agent at Rocky Mountain House the applicant is in residence on this land along with his brother, who holds the N.½ 24-41-6-4. 5th Meridian under homestead entry.

As Raymond Frederick Furnell will not be eligible for entry for some months yet and as it is probable that the resources will be transferred to the Province in the meantime, his claim in connection with the land he occupies will require to be dealt with by the Province.

However it should be noted in your records that the land is at present occupied by the Furnell Brothers and, therefore, not open to entry by another applicant.

Your obedient servant,

Commissioner of Dominion Lands.
